

Journal of Investigational Allergology and Clinical Immunology

Official Organ of Spanish Society of Allergology and Clinical Immunology

Official Organ of INTERASMA-The International Association of Asthmology

Patient's consent for the publication of material relating to them in *The Journal of Investigational Allergology and Clinical Immunology*

This consent form should be retained by the corresponding author and should not be sent to *The Journal of Investigational Allergology and Clinical Immunology*

To be completed by the corresponding author:

Subject of article or photograph:

Name of author submitting material:

Corresponding author's address:

Manuscript reference number, if known ():

To be completed by the patient:

I give my consent for all or any part of this material to appear in *The JIACI*. I understand that:

- My name will not be published with the material and *The JIACI* will endeavour to ensure my anonymity. However, despite *The JIACI* best efforts, I understand that it is possible that somebody, for example members of my family or the health care staff who have looked after me, may recognise me from the image and/or the accompanying text.
- The uses of my material may include (without limitation) publication of the material in the print and electronic editions of *The JIACI*, on websites, in sublicensed or reprinted editions (including foreign language editions), and in other works or products.
- I cannot revoke this consent once I have signed this consent form.
- This consent form will be retained by the corresponding author, and will not be sent to *The JIACI*.

Signed:
